

RULES AND INFORMATION

Life for Youth Camp came about through prayer, dedication, and sacrifice. The entire facility has been dedicated to the Lord for your enjoyment and spiritual growth. **Please use, but don't abuse.** Here is a list of rules and information. Make sure these are relayed to each of your retreat participants. You are welcome to copy this for your own handouts.

1. The camp's office phone number is 772-567-2446. You may give this number to your retreat participants; however, we are often out of the office assisting our retreat groups. We have an answering machine and will relay messages to the group leader as we receive them. We suggest that the group leader carry a cell phone for contact to and from home.
2. Snack and soda machines are located under the snack shack pavilion and in the breezeway by the dining hall. The snack and book shop will be open during scheduled activity times. Additional time available upon request.
3. The golf carts are for LFYC staff only. **Please keep off.**
4. Any damage such as graffiti, broken windows, etc. will be billed to your group. Our experience in camping for over forty years has shown that shaving cream fights, water balloon wars, toothpaste fights, and things along these lines **ARE NOT PERMITTED** here at camp. Please also note that your group will be charged \$50.00 for each fire extinguisher found in your cabins or meeting rooms that has been discharged.
5. Activities are scheduled for certain times. Make sure everyone knows when they are. Armbands are required. The wall, waterslide, boats, and swimming dock areas, etc. are off limits except during scheduled times.
6. Swim only in designated areas during pre-arranged times. A qualified lifeguard must be present. If providing your own lifeguard, we (LFYC) must have a copy of their certification on file in advance.
7. Game room equipment in your locker will be accounted for after you are gone. You are responsible to make sure all equipment is kept in good condition and returned to your locker before you leave. Usually we have more than one group here and each group will have their own locker.
8. **ALCOHOL AND DRUGS ARE STRICTLY PROHIBITED.** We prefer there be no smoking while here on the grounds. However, if you must, there is **NO SMOKING IN ANY BUILDING.**
9. Absolutely no food, drinks, glitter, or glue in the carpeted meeting rooms or chapels. We have pavilions with tables and lights for your snacks, crafts, and drinks. At one pavilion we have a locked storage area with refrigeration, sink, and counter space available.
10. Candles are prohibited in all buildings, including meeting rooms and cabins. This is in accordance with the Indian River County Fire Marshal.

11. Line up on the lakeside of the dining hall for meals. Shoes and shirts must be worn. Seconds are available if you take your tray back through the serving line. We start serving seconds as soon as the line ends.
12. Everyone must wear the LFYC armbands to all meals in order to be served. Please ask participants to have their identification ready to be checked at the door. Any participant that has lost or destroyed his or her armband must be accompanied by the retreat leader to discuss cost of replacement. Extra guests or day guests please call Stephanie in advance for prices.
13. Cabins are segregated. No males in female cabins. No females in male cabins. Christian courtesy should be practiced towards others sharing the grounds.
14. **DO NOT** go into any cabin that is not assigned to your group. Any unauthorized usage of empty cabins will result in an additional charge for the cleaning.
15. Lights out by 11:00 pm.
16. Absolutely no pets allowed on grounds.
17. In case of a medical emergency, LFYC has an AED (Automated External Defibrillator) located in the dining hall.
18. The gate is closed from 11:00 pm to 7:00 am. The group leader will have a code for entrance during these times.
