

SUPPORT

Life For Youth Camp

in a Paddle-a-thon

We need your help! Please pray for our fundraiser and consider helping us raise money for our building fund. You can help by **paddling or by **sponsoring** one of our paddlers.**

Our paddlers will make their strokes count on **April 10, 2010** by joining a host of other selfless paddlers who are using their passion to benefit **Life For Youth Camp**. The paddle-a-thon is along the historic Kissimmee waterway from **Lake Kissimmee State Park** to **River Ranch Resort**. If you can paddle for us please check out the paddling page.

If you can sponsor one of our paddlers please check out our sponsorship page.

**LFYC doesn't do many fundraisers
so please help us make this one a success!**
